isometry

**idea**

The word 'idea' is rendered in a bold, lowercase, sans-serif font. The letters are thick and have a 3D effect, appearing to be extruded from the surface. The 'e' is particularly stylized, with a circular cutout in the middle. The text is slightly tilted to the right.

text to path

**idealismania**

The word 'idealismania' is written in a bold, lowercase, sans-serif font. The text is curved upwards, following a gentle arc. The letters are thick and have a 3D effect, similar to the 'idea' text above.

3d Extrude

**idea**

The word 'idea' is rendered in a bold, lowercase, sans-serif font. The letters are thick and have a 3D effect, appearing to be extruded from the surface. The text is slightly tilted to the right. A soft, grey shadow is cast beneath the letters, giving them a sense of depth and weight.
